- 1) G.O.Rt. No.515, Planning (XVIII) Department, Dated.01-07-2011.
- 2) Memo No.3388/Plg.XVIII/2012, Dated: 05-06-2012.

**ORDER:-**

The 12<sup>th</sup> Five Year Plan (2012-17) is underway with the main theme to achieve 'faster, more inclusive and sustainable growth'. The State targets to achieve an overall growth of 10% during the 12<sup>th</sup> Plan. The achievement of the said growth targets require in depth analysis of sector status, probable constraints on growth. Thus studies spreading across the important Social and Economic sectors required to be carried out through professional organizations.

2. The Government of Andhra Pradesh, is laying greater emphasis on enhancing growth under social and economic sectors during the 12<sup>th</sup> Plan. In the process, the CESS, Hyderabad was entrusted with the task of preparing the approach for the 12<sup>th</sup> Plan in the GO 1<sup>st</sup> read above, held detailed discussions with various line departments, NGOs and Academicians for framing the strategies.
3. During the deliberations with various line departments the CESS and the Planning department identified certain strategic fields for several research studies/surveys, cutting across different departments for impact assessment and analysis and for improving the growth and development.
4. The broad areas include agriculture and allied services, industry, services, finance, investment, IT, inflation, education, SC/ST development, employment, health, urban planning, infrastructure, flagship programmes, human development, district planning and monitoring and Results Framework Document (RFD).
5. Keeping in view the importance of the matter, the Government have decided to entrust the studies to expert institutions/departments, viz., CESS, DE&S, APSDPS and APSRAC duly involving representatives from user departments. The details of the studies are Annexured to this order.

6. The Planning Department shall act as an active interface between the above mentioned departments/institutions at each stage from conceptualization till submission of final reports. The Planning Department shall oversee the progress of the studies, monitor the expenditures and ensures the stipulated timeline.
7. The above mentioned departments/institutions would prepare concept papers indicating the Objectives, Sampling design, methodology of study, schedules to be canvassed, cost involved, identification of coordinators and departmental representatives, timeframe and possible outcomes, ToR etc. and shall submit to the Government within a month.
8. The concept paper along with the sampling design, methodology and other components of the above studies shall be finalized in the technical Committee concerned constituted in the reference 2<sup>nd</sup> read above. The implementing agencies shall follow the instructions issued by the Government from time to time in this regard.
9. The final project/study reports shall be submitted to the Government by the end of March, 2013.
